125 Total Targets

Contact Jim at 913-957-0501

How It Works:

You can shoot on Friday, Saturday or Sunday to fit your schedule. (Sporting is only open Saturday & Sunday). You can shoot the four disciplines when you want as long as you complete all four during the month. You can practice as much as you want, but you must state you are shooting your league round prior to shooting it.

For Example: you may come out on a Friday and shoot two practice rounds on skeet and then decide you want to shoot your league. We will pull and score the targets for you and a running tally will be kept in the Shooting Sports Clubhouse.

This is open to members & their guests; Reciprocal Clubs & their guests.

Each guest must be accompanied by a member.
